Brenda introduced the speakers for the day, Mary Lynn Greene and Joanne Estay

The ladies gave us a very good idea as to what is needed at the school and we were in agreement that we were interested as a group to help in any way we can. The main target group will be Grade 7 & 8 kids. There appears to be an 80% interest from the kids. If it was only 1 kid it would be worthwhile. The projected first day to start the program is Jan 20, 2003. *MORE TO FOLLOW WHEN WE BEGIN THE HELPING PROCESS*

THE MEETING WAS ADJOURNED AT 1:15

Please bring a nonperishable item to the Christmas party and start our helping for the school on the right foot. Eg: dry cereal , food bars , juice boxes , any breakfast item that won't spoil.

MERRY CHRISTMAS EVERYONE
