### **MEETING OF NOVEMBER 14**

This bulletin comes to you thanks to the note-taking of **Bernie** with some editing by **Debbie**. The Secretary thanks these two.

Eleven members were present for the meeting but, with bingo attendance plus rose sale activity taken into account 14 members can be counted present and 15 if George returns with a make-up as expected. **Cathy Scantlebury** was a welcomed guest. **President Brenda** reminded members that if they do not advise **Allan M.** in advance concerning their absence from a meeting they are expected to pay for the missed meal at the next meeting. A letter of thanks for the Club's donation to the Textile museum was read and **Debbie** will represent us at the Museum's November 30 reception. **Debbie** also reported that planning for the Santa Claus Parade float is proceeding well and her helpers should be at her house at 348 Bridge Street at 12:30 pm on the 25<sup>th</sup> (lunch will be served). **Brian reported that rose sales had reached about 146 dozen and packaging will start at 2 pm November 16 at the Heritage Inn. He needs as many volunteers as possible!**

Nominations for Executive positions in 07/08 were received. **Marion** agreed to stand for President-Elect, **Mike** for

Secretary, and **Stan** will be asked if he will stand for election as Treasurer. The Club still needs members to stand for Committee Chairs for Fundraising, Community Service, Club Service and Vocational. A motion was moved and passed to the effect "the final decision regarding a charitable registration number be tabled until the Club has a new Treasurer" in view of the work load on that individual. Similarly, a decision on possible world Community Service projects was deferred until net receipts from the Rose Sale are known.

**Cathy Scantlebury** was recognized for her effective management of **Fraser's** election campaign, **David M.** was congratulated on his "slaughter" of 5 deer and best wishes were passed on to **David K.** for a speedy recovery from his operation.

**Club members have a busy two weeks ahead of them so please pay special attention to the following Club activities and help out wherever possible.**
