

## ***Rotary Club of Carleton Place and Mississippi Mills***

### **Meeting of November 3<sup>rd</sup>, 2014**

Nine members were present for this evening, and Robert chaired the meeting as Brian was away.

The Rose Sale is on for November 13<sup>th</sup>. Louise has arranged for NDHS to ask students if they want to help assemble boxes, on the afternoon/evening of November 10<sup>th</sup> (Monday). No replies as yet. If no students volunteer, we will arrange a time to do the job ourselves, possibly on Wednesday 12<sup>th</sup>. Total sales still under 200; please make a final attempt to sell more. Mike will try at Home Depot, Staples, Rona and The Brick.

Wreaths for November 11<sup>th</sup> at Carleton Place and Almonte have been paid for. They will be presented anyway; we did not have any volunteers so far to do the presentation.

We have found another supplier for replacement trail signs, and the cost will be about \$500. This expenditure was approved.

The highway cleanup was completed last Saturday – thanks to all who turned out in the cold wind.

The New Generations committee met with the CPHS and NDHS principals, and will present a report and proposal at the next meeting. We approved \$460 for a RYLA student next year, and must put down a deposit of \$100, which is refundable if we have to cancel.

There will be a club outing to the Rideau Carleton Raceway in the spring. There are a number of fund-raising ideas under consideration, such as a 50/50 draw for everyone at the racetrack, with half the proceeds to the club and half to the racetrack.

Alan will email members about a play called “The Dirt on Tait McKenzie”, to be held at the Almonte Town Hall, and in which he is a player.
