

Rotary Club of Carleton Place and Mississippi Mills
Meeting of June 20, 2016

Eleven members were present for a good discussion of the Club's activities in 2015/16 and for the upcoming year. Incoming President Teresa proposed a number of goals for 2016/17:

- 1) Simplify our administrative/organization system
- 2) Complete our Charitable Status submission
- 3) Prepare a database for easy review of our youth protection status
- 4) Add at least two new members
- 5) Improve our communications/publicity situation (David will lead)
- 6) Reassess our New Generations initiatives (Teresa/Eric to lead)
- 7) Stay the course on Community Service (Marion to lead) and
- 8) Investigate possible joint international opportunities with other 7040 clubs.

There was also a good discussion on fund-raising which hopefully Robert will continue to lead. There was a consensus that we will not repeat the 50/50 at the Lambs Down Festival because of the low return (\$185) but will continue the Bridge Street 50/50. Other possible changes were discussed and a future meeting will be devoted to this issue.

Please remember that the change-over meeting will be held at Brenda's home at 120 Mary Street next Monday. It starts at 6 pm, is a pot-luck and byob applies. Friends, partners and spouses are welcomed, not necessarily in that order.

I am attaching the current Club roster. Please review it and let me know of any corrections.
