Item 15	<b>Contacts with Lions and Civitan Clubs:</b> Wayne reported on his discussion with Bryan at the local Lions Club. Their Club would be willing to help out with our 50/50 tickets and possibly other projects. In turn they need support for some projects as well. This is a good lead that we should follow up. We are still waiting to hear back from the Civitan Club.	
Item 16	<b>Treasurer:</b> Mike reported that two of the three high	

	<p>schools receiving monies from us have cashed their cheques.</p> <p>Our club currently has assets of \$10,800.</p> <p><i>Request for financial assistance for Casita Copan, Honduras:</i> Mike has received a request for assistance to assist Casita Copan in its quest to purchase a building. We have given \$1,000 this Rotary year and \$1,000 the previous year to support its activities. We would consider a request for support in the next Rotary year. There was discussion about the possibility of engaging Rotary Clubs in Honduras that might then allow for greater support for this project. Apparently one or more Rotary Clubs from the US also support the orphanage. Mike agreed to talk to Eric Hammond further.</p>	Mike
